

NJ PBSIS

Overview

Rewards

School 4 has partnered with NJ Positive Behavior Support in Schools (NJ PBSIS) to help us develop an intervention continuum to plan for preventing and, when necessary, intervening with social, behavior, and conduct issues.

Each school, has selected it's own student attributes:

Responsible
Organized
Achieve Goals
Respectful

It is not a curriculum - it is a framework for systems to identify needs, develop strategies, and evaluate practice toward success.

PBSIS is a tiered system of support, which is driven by data.

The framework of each tier is designed with a specific purpose and an aligned set of practices.

When students are found following school wide expectations and displaying positive behaviors, they can earn

Roar Bucks!

Roar Bucks will be provided throughout the day and can be used to enter raffles as well as to purchase passes and prizes from our Prize Cabinet. This is our way of recognizing and rewarding positive behavior.

How can you help?

Help teach your children the importance of school wide expectations at home, at school, and in the community.

Encourage a positive school climate.

Be actively involved in your child's education.

Celebrate your child's successes. Encourage your child to celebrate the success of others.

How does it work?

Through a 4:1 positive to negative correction ratio, students will be taught the school wide expectations. Expectation posters will be displayed throughout the school and reviewed frequently for reinforcement. Expectations and routines will be modeled frequently. These expectations will also be utilized to reinforce appropriate expected behaviors in any school setting.
